THE LEGACY SEMINAR – DISCOVER THE POWER OF YOUR HERITAGE

We all want to live life to its fullest, and occasionally we need to take a deep breath and connect with our true selves. This Labor Day weekend we are proud to host a three-day spiritual journey allowing you to disconnect from the world and reconnect with your soul. During the weekend, you will recharge your spiritual batteries, engage in lively debates, be inspired, and discover how to permanently improve your quality of life. Our transformative seminar will expand your mind and teach you how to achieve happiness using the wisdom of our ancient heritage.

Put simply, our mission is to help you rejuvenate from the stresses of daily life and explore the wonder of being a Jew. Our dynamic speakers will teach you to tap into the hallowed wisdom of the Torah and learn how to have **meaningful relationships**, reignite your marriage, and tap into the full power of your soul.

This year's weekend getaway will be hosted in the Bushkill Falls Inn, a luxury hotel nestled in one of the most majestic areas of the Pocono Mountains. Built with a rustic, yet modern motif, the Bushkill Inn is **surrounded by over 160 acres of serene woodland**. This calm and peaceful environment creates the perfect place to get away from it all and recharge yourself surrounded by the beauty of the Pocono Mountains.

To allow you to fully relax and enjoy your experience, the Legacy Seminar will provide a full-service **complimentary daycare program** to entertain your children, freeing you to fully immerse yourself in the experience. Our famous caterers have prepared an exquisite culinary experience, featuring a diverse sampling of classic and modern dishes. Aside from a full range of gourmet multi-course meals, the weekend getaway includes a 24-hour tea room fully stocked with a stunning variety of scrumptious cakes and delicate pastries. Additionally, a beautiful heated pool, hot tub, 24-hour gym, and numerous recreational activities will be available for the seminar guests.
